Opportunities

Following on from the success of the G4C Yorkshire & Humber Awards in previous years we are proud to be back for a 5th Year! The awards are a celebration of Young Achievers in Yorkshire and Humber and the companies who support and train the future leaders of the industry.

G4C Yorkshire & Humber are paving the way for the other regions, diving forward change and recognising the people who make it possible in our industry.

These prestigious awards will be held on **Friday 27 September 2024**, at **6:30pm**, and will showcase excellence and reward achievement for organisations and individuals who are successfully pushing our industry forward. This event is a great opportunity for companies who wish to be seen as proactively supporting and leading innovation within the built environment.
